

# You Got YAWS yet?

Yet Another Weather Service for fast, FREE access to aviation weather data on your mobile phone.

Older mobiles: <http://activitae.com/wap>

Modern phones: <http://activitae.com/pda>

Laptops & PCs: <http://activitae.com/yaws>

Or just google for 'YAWS metar'

All data derives from the venerable and much respected US National Weather Service.

**If it's not on YAWS it won't be on anyone else's!**
